Of late the Govt have not been sanctioning new grants except in very special cases. The temple now in question is a new one and it seems to be the duty of the petitioner to arrange for its maintenance. I think therefore that the recommendation for

File No. 1811 of 1906 Muzrai Secretariat

for a cash grant from Govt cannot be sanctioned.

We request that the lands endowed to the temples by the founder may be treated a Devadaya, the whole of the assessment being treated as Jodi, seems unobjectionable but the Revenue Comrs opinion may first be obtained on the point.

The conversion of this Kuruvan land to Devadaya will not be of any use in preventing alienation for it has been held that the alienation rules of 1877 apply as to cases in which the Inam land is granted as Inam to the Temple &c.

If a personal Inam is granted to a Temple the alienation thereof cannot be canceled.

My dear Ananta Krishna Rao,

I have made a careful search for these papers but am sorry to say that I could not find them. I distinctly remember a request made to me on the 22nd & a promise by me that in case the Dy Comr sent me the correspondence I would ask the Dewan to give it due consideration. At this distance of time it is not possible for me to say what I did with the papers if received, i.e whether I referred them to the Dewan or passed them on to the Mysore Secretariat or returned them to the Dy Comr. The representation seemed to me most reasonable & hence my interested myself in the matter. I hope the loss of the papers through my intervention will not operate prejudicially to the Petitioners who seem to have a good case.

Yours very sincerely B. Krishnaswamy

MYSORE GOVERNMENT
MUZRAI SECRETARIAT

Sir,

With reference to your letter No. 6043 dated the 25th June 1907, calling for an official report on the subject of the prayer of Srinivasa Avadhani for some help from Government for the up-keep of the temple built by him at Hiriyur I have the honor to state that it is reported that the petitioner has, at a cost of about Rs 1500/- built a temple at Hiriyur Consecrating therein the three deities - 1. Pattabhiramadevaru 2. Venkataramana devaru & 3. Eswaradevaru, that he has endowed the temple with the marginally noted lands from the proceeds of which three Nandadipams are maintained that an allowance of 1½ seers of rice per diem is now being paid for Paditara from the Anna Chatram at Hiriyur

and that the petitioner has been paying from his own pocket a monthly salary Rs 6/- to the Archak he has appointed.

2. From the above it will be seen that the petitioner has been doing his best to keep up the worship of the temple. He now represents that he has been experiencing great difficulty in providing the Archak's pay of Rs 6/- per mensem and prays that this charge may be borne by Government. He further prays with a view to prevent his descendants from alienating the lands he has now endowed to the temple, that the lands may be rendered inalienable by treating them as Devadaya Inam lands, fixing the full assessment as Jodi.

3. I have seen the temple and it is in good order. The petitioner's prayers are reasonable and I am of opinion that Government help is necessary to effect permanent and satisfactory arrangement for the continuance of the temple worship. I beg therefore to recommend that as a special case, a Cash Grant of Rs 6/- per mensem may be sanctioned

to this temple for providing the archa pay and that the lands endowed petitioner maybe treated as Devadaz Inam Lands.

4. The Vernacular correspondence ending with Report No. 826 dated 25th Feby 1908 from the Amildar of Hiriyur Taluk and a petition presented by the petitioner to the Dewan when he was last at Hiriyur are herewith Submitted.
